Flame Retardant Polyester Duvet Covers - Homely Environments for Healthcare

As part of our soft furnishings service we offer a wide range of classic and contemporary designs in Flame Retardant polyester suitable for healthcare, care home, hospice and clinical environments. Through understanding your needs we present colour options, designs and products tailored to your requirements. Products include duvet covers, pillowcases, cushion covers and towels. Curtains also available if required, minimum quantities apply.
Duvets available in our Healthcare Wipeable range and Cream Guard Healthcare Wipeable and Waterproof Range suitable for infection control.
Please call us to discuss your requirements.
