

Healthcare Wipeable Pillow

This fully wipeable healthcare pillow is skilfully designed to meet the expectations of the healthcare sector such as the NHS, private hospitals and care homes. As it is easy to wipe clean, it can help in the fight against infection. This is our most popular pillow in the healthcare market.

Flammability of outer lining meets BS 7175, Crib 5.

Composition: Cover	Composition: Filling
Polypropylene	Polyester Hollowfibre

Pillow is stitched on inside and out
